

The University of Texas System Office of Federal Relations

*Cordially invites you to a reception showcasing the groundbreaking research
being carried out by UT System faculty across the State of Texas*

About the UT System

- Second largest public university system in the United States
- Educates more than 217,000 students and employs 90,000 faculty and staff
- FY13 research expenditures totaled \$2.73 billion, nearly half of which was federally funded
- Accounts for almost 70 percent of all research funds awarded to public universities in Texas

Please join faculty, administrators and graduate students from across the UT System for our inaugural Campus Research Showcase, featuring innovative prototypes and hands-on demonstrations from fields such as neuroscience, military health, cybersecurity and cancer.
